***Note: If 100% of all attendance is received prior to the due date, it may be possible to move the provider payment date earlier. The only way this can happen is if providers make every effort to submit all attendance in as soon as possible after the end date of that month! If providers can accomplish this, it will be announced in an email blast!!! It is 100% in the hands of all contracted providers working to submit their monthly attendance!!! Make the effort so that all providers might be paid earlier!!***
